

# Cohesive bandages, kinesiotapes and others...

**yellowSPORT** is a brand offering comprehensive solutions in the field of sports medicine - according to the best practices that have been developed during physical activity tests. Based on the knowledge and experience of experts, the product line is dedicated not only to sportswomen and sportsmen but also to people taking their first steps to improve their physical activity (recreation).

**yellowSPORT** is primarily a tribute to, among others, physiotherapists, personal trainers, medical staff, sports clubs and owners of rehabilitation clinics. It creates an excellent base and product base while maintaining the expected ratio between cost and required quality.

The offer of products from the **yellowSPORT** family was prepared by specialists in the field of medical devices and physiotherapy. Therefore, from the very first day of its presence on the market, the „yellow brand” is a concrete response to the real needs of users, regardless of the level of advancement in the field of physical activity or just recreation.
