

**Manufacturer of disposable
medical equipment
and provider of comprehensive
healthcare solutions.**

more than
**35 years
of experience**

Over the years, ZARYS has proven to be a trusted and reliable partner in the humanitarian aid sector wherever it was needed, war zones, national disasters, pandemics, and other emergencies, providing essential medical supplies to renowned organizations such as:

- International Committee of the Red Cross (ICRC)
- Médecins Sans Frontières (MSF)
- UN
- UNRWA

directly and through local distributors.

Thanks to its wide range of products and extensive stock, ZARYS is able to respond with speed and efficiency. The company's experienced and highly qualified logistics ensures that the required products reach their destination on time.
